If any of the above holidays fall on Saturday, the preceding Friday shall be considered as the legal holiday, except those persons whose regularly scheduled workdays fall on a Saturday or Sunday.

(E) Employees who are scheduled to work on a legal holiday and who are relieved of duty after reporting for duty on the holiday, shall be paid for all hours worked in addition to receive holiday pay at a straight time rate for the entire day.

(F) Employees who work on a recognized holiday will receive overtime compensation on a time and one-half basis for those hours worked in addition to their regular full pay. Employees whose regularly scheduled day off falls on a recognized holiday shall receive holiday compensation at their regular straight time pay for such holiday(s). The employee will be credited with annual leave equal to the average daily hours the employee works, excluding overtime, in a normal bi-weekly period at the beginning of the pay period. [Example: An employee who works eight (8) hours or ten (10) hour days in a bi-weekly period will receive ten (10) hours of annual leave.] Employees may convert their regular holiday straight-time pay to annual leave. Employees may volunteer to accumulate TILO equivalent to the paid overtime rather than be paid for the holidays.

(G) PERS will be paid for all hours worked when a state recognized holiday falls on a normal workday. If an employee works on a holiday that is not their regular workday, PERS is not paid (per NRS).

(H) In order to receive holiday pay, the employee must be in paid status for the entire work shift preceding and following the holiday.

ARTICLE 9 - ANNUAL LEAVE

(A) The City and the Association agree that annual leave is provided to employees for the purpose of rest and relaxation from their duties and for attending to personal business. Absences not specifically covered by the provisions herewith shall be chargeable to annual leave to the extent it has been accrued or advanced.

(B) Employees shall be eligible to take annual leave after completion of six (6) months of continuous full-time service. Annual leave shall accrue from the date of entry on duty to all employees, except those employed on a temporary appointment basis, in an amount equal to:

1. Three and eight hundredths (3.08) hours bi-weekly for the first year.
2. Four and sixty-two hundredths (4.62) hours bi-weekly for the second through the tenth year.
3. Six and ninety-three hundredths (6.93) hours bi-weekly for the eleventh through the fifteenth year.
4. Seven and sixty-nine hundredths (7.69) hours bi-weekly for each year thereafter.

Part-time employees working on a regular appointment are eligible for annual leave on a prorated basis in accordance with these rules. Employees who are in a non-pay status for part of a pay period shall have their annual leave accumulation reduced on a prorated basis.

(C) Annual leave may be accumulated up to a maximum of two times their annual accrual for those commissioned by the City prior to June 26, 2013. Current non-commissioned employees and those hired on or after June 26, 2013, will accrue a maximum of 250 hours. During the calendar year, any annual leave which exceeds the allowed maximum shall be forfeited on December 31st of each year, unless the employee was not allowed to take or complete a vacation as scheduled or rescheduled during the last

sixty (60) days of the year. Employees who were so affected shall be paid at their full salary plus longevity for all vacation hours they are required to forfeit at the end of the calendar year.

(D) Employees with more than six (6) months service who are separated from the City's employment are entitled to payment for unused annual leave not previously forfeited.

(E) Application for annual leave must be approved in advance of taking leave and shall be scheduled annually on a seniority basis. The Departmental vacation scheduling procedures shall be developed by the Department Head through discussions with the employees. Unresolved conflicts shall be referred to the Labor/Management Committee.

(F) Upon approval by the City Manager, an employee may be advanced annual leave.

(G) An employee who has taken advance annual leave beyond that accrued at the time of termination shall make restitution for such leave; either by deduction from any amount owed the employee by the City or by cash refund.

(H) Employee vacations, which have been scheduled for a calendar week or more, shall not be canceled unless an emergency situation exists.

(I) Employees who have been employed in the classified service for a minimum of eighteen (18) months may elect to exchange up to eighty (80) hours of annual leave for up to eighty (80) hours pay, subject to the following conditions:

1. Exchange of annual leave shall only be done at the first payday of each December unless otherwise authorized by the City Manager.

2. Exchange privileges apply only to accrued annual leave.

3. Employees must have a cumulative leave balance of at least forty (40) hours after the sellback.

ARTICLE 10 - SICK LEAVE

(A) The City and the Association agree that all full-time employees shall accrue four (4.00) hours of sick leave bi-weekly. Employees who are in a non-pay status for part of a pay period shall have their sick leave accumulation reduced on a prorated basis. Employees shall be paid their current hourly rate plus longevity, if applicable, for each hour of sick leave used.

(B) Sick leave with pay may be used by employees who are:

1. Incapacitated by illness or injury from the performance of their duties, or whose attendance is prevented by public health requirements; or
2. Required to absent themselves from work to attend the funeral of a member of their immediate family, as defined in Section C below. Sick leave with pay may be granted up to a maximum of five (5) working days per occurrence in such cases and shall not be counted as a sick leave incident. In extraordinary circumstances, additional leave for bereavement may be granted by the Department Head; or
3. Required to absent themselves from work to personally care for a member of their immediate family as defined in Section C below. To be granted sick leave with pay in such cases requires substantiation of a medical emergency on the leave slip and approval of the Department Head. Such leave is limited to a maximum of forty (40) working hours per year and shall not be counted as a sick leave incident; or
4. Required to take time off from work for the purpose of keeping a personal medical or dental appointment. Such leave shall be limited to a maximum of four (4) hours for any one (1) appointment. A request for additional time must be approved by the Department Head.

5. No employees shall be entitled to sick leave while absent from duty because of a disability arising from a sickness or injury purposely self-inflicted or caused by willful misconduct.

(C) Immediate Family

As used in Section (B) only, immediate family shall be defined as the current spouse, parent, brother, sister, child, grandchild, grandparent, current mother/father-in-law, current sister/brother-in-law, current son/daughter-in-law or current significant other. For the purpose of this section only, significant other shall be interpreted to apply when it involves a person the employee lives with that they consider a mate.

(D) Any time off for funeral attendance in addition to the five (5) working days, referenced in Section (B)(2) and any time off for the personal care of a member of the immediate family which has not been authorized by the Department Head as above provided, may be charged to annual leave, if available.

(E) Sick leave must be approved by the Department Head except that he/she may delegate that authority to any official(s) deemed appropriate. Employees who do not become ill on the job shall call in as required by the work rules before the beginning of their shift when using sick leave. An employee incapacitated beyond the period covered by sick leave may be granted leave without pay by the Department Head. On the approval of the City Manager, an advance of additional sick leave with full or partial pay may be granted.

(F) Employees covered by this Agreement shall be subject to the following reporting requirements for payment of sick leave:

1. Sick Leave Request: Employees are required to file and sign a sick leave request as evidence that the reason for the employee's absence was a legitimate use of sick leave as outlined above.

2. Certificate of Recovery and Fitness: If an employee is requested to do so by the Department Head, or his designee, a Certificate of Recovery and Fitness shall be submitted by the employee upon return to work from any illness that required the use of sick leave for four (4) or more consecutive scheduled working days. Such certificate shall be signed by a physician and shall state that the employee is capable of returning to work. The Department Head or his designee may require that an employee submit a Certificate of Recovery and Fitness if there is reason to believe that an employee is abusing sick leave.

3. Abuse or Excessive Use: Utilization of sick leave for purposes other than those defined in this Agreement shall be considered evidence of abuse. Supervisors may discipline employees when evidence of abuse exists and for excessive use of sick leave. Discipline will not be applied for legitimate extended illness or injury. "Extended illness or injury" shall be considered four or more consecutive scheduled working days.

Annotation: This section was changed in 1997 to allow the parties the flexibility to apply progressive discipline to employees that are using sick leave in a manner that has a negative impact on other employees and operations. The parties agreed that as a general rule, any person who uses eight (8) or more sick leave days per year (excluding extended illness or injury) may be considered excessive. It was understood that eight (8) days is not a specific standard, but merely a guideline for supervisors when assessing circumstances surrounding the absences of employees (ie: supervisors will look at historical attendance, patterns of use, etc.). Extended illness or injury, as defined above, may be considered in determining historical attendance or patterns of abuse for purposes of discipline under this Section. Each case will be handled on a case-by-case basis. Extensive use may not constitute abuse, though documentation and/or justification shall be imperative in either circumstance. Furthermore, comparison from individual to individual is not acceptable; each case is solely situational.

(G) Employees shall be at their place of residence, a medical facility, or their doctor's office, or shall notify the Department Head, or designee, of their whereabouts when using sick leave. Any gainful employment, pursuit of personal business, recreation, travel for recreation or non-sick leave usage, or other such activity when an employee is on sick

leave during their regularly assigned shift hours is considered evidence of abuse of sick leave.

(H) For the purpose of calculating payment of sick leave hours, employees will have a cap of 840 hours, except those commissioned by the City after June 26, 2013 shall have a maximum accrual of 420 hours. Employees shall receive payment for one-half the amount of unused sick leave accrued, up to a maximum payment for 420 hours (or 210 hours for those commissioned by the City after June 26, 2013), upon separation, after five (5) years of continuous full-time service. Said payment shall be computed as follows: fifty percent (50%) of the employee's accumulated sick leave hours, up to a maximum accrual of 840 hours (or 420 hours for those commissioned by the City after June 26, 2013), and paid at the employee's hourly rate including longevity at the time of separation. Employees who separate from employment after completion of (20) twenty years of continuous service shall receive compensation for 100% of all accrued hours up to the 840 hour cap (or 420 hours for those commissioned by the City after June 26, 2013.)

(I) On the first payday of December of each year, and upon separation from the City of Las Vegas, the City shall compensate employees for all of their accrued hours above the 840 hour maximum accrual limit (or 420 hours for those commissioned by the City after June 26, 2013.) The compensation rate will be as follows:

1. Employees with less than (20) twenty years of continuous service with the City of Las Vegas will receive payment for all sick leave hours accrued above their 840 hour accrual cap (or 420 hours for those commissioned by the City after June 26, 2013) at 50% of their current hourly rate of pay.
2. Employees with more than (20) twenty years of continuous service with the City of Las Vegas will receive payment for all sick leave hours accrued above their 840 hour accrual cap (or 420 hours for those commissioned by the City after June 26, 2013) at 100% of their current hourly rate of pay.

(J) Employees who have taken no more than the sick leave usage specified below during the 12 month periods listed below, for purposes other than bereavement and Workers Comp Leave shall receive the following bonus. Use of FMLA counts as absence time and will be a disqualifier for attendance bonus contest purposes.

ARTICLE 11 - HOURS

(A) The City and the Association agree that the normal paid bi-weekly hours shall be eighty (80), including a meal period. The City will make every reasonable effort to provide meal and break periods to all employees of the bargaining unit.

(B) All personnel who work more than their normally scheduled work hours on a daily or weekly basis shall be paid overtime on a time and one-half (1½) hourly rated basis based on their hourly rate of pay including longevity.

(C) In emergency situations requiring immediate attention where the Department Head, or designated representative, feels that it is necessary to call out one or more members of a department, an employee shall be paid overtime pay on a time and one-half (1½) rated basis. Said employee shall be paid for a minimum of four (4) hours regardless of having worked less than four (4) hours. However, in the event that the period of call-outs extends into the employee's normal working shift, such employee shall be paid only for the time actually worked in addition to his normal working shift. If the period of call-out exceeds four (4) hours, the employee shall be paid for the amount of time actually worked.

(D) If an employee is required to return to duty after completing a normal shift or he is required to report to work on a day in which a normal shift is not scheduled, or is required to report for work related court testimony, the employee shall be compensated for a minimum of four (4) hours or the actual time worked, whichever is greater, on a time and one-half (1½) rated basis.

(E) An employee who works less than four (4) hours on the initial call-out and is then called out a second time during the initial four (4) hour period shall not be entitled to any additional overtime pay unless the aggregate time worked for both occurrences shall exceed four (4) hours, in which case he shall be paid for the aggregate time so worked. In the event an employee is called out for a second time after the expiration of four (4) hours

from the first call-out, he shall be paid for a minimum of four (4) hours for each call-out except as provided in the previous paragraph.

(F) A shift shall be defined as the employee's normal workday. The workweek shall consist of 4 consecutive 10-hour shifts for members in a Uniform Function. The Municipal Court Marshals may utilize an adjusted 4-shift workweek schedule. (i.e.: 12 hour, 8 hour alternating shifts.)

(G) If an Alternate Work Schedule (AWS) is requested by a majority of the employee(s) affected in a department or work unit, the Association and the City shall within fourteen (14) days to discuss the method of establishing an Alternate Work Schedule for the requesting department or work unit. If a mutually acceptable AWS plan can be established for the department or work unit, it shall be put into effect for a trial period of six (6) months within sixty (60) calendar days of agreement upon the AWS schedule. In any AWS program established, payment for overtime and paid holidays shall be in accordance with the provisions of this Agreement.

Annotation: The intent of this language is to allow groups flexibility with regard to shift hours with the Departments consent. Keeping firmly in mind the intent of the language in section F with the intent to maintain a four shift (4) workweek or less as in the case of a twelve (12) hour shift schedule.

(H) Time In Lieu Of (TILO)

1. Because the workload of some functions fluctuates both within and beyond the payroll periods, employees may work Time in Lieu of (TILO) rather than paid overtime. The purpose of TILO is to allow the employee to accumulate and to take TILO time in conjunction with workload lows, rather than be paid at the overtime rates during workload peaks.

2. To accumulate TILO time, employees may volunteer to accept time off rather than overtime pay. This TILO time will be accumulated at a time and one-half (1½) rate for payment purposes. No employee can be required to accumulate TILO rather than be paid at the overtime rate.

3. To use TILO time, employees must schedule their absence from work with their supervisor in advance of the absence. Such absences will normally be scheduled only when the workload will allow the employee to be absent. This means that employees may be denied the use of TILO time, whenever, in the supervisor's judgment, it is felt that to allow the employee to use such time will place a hardship on the City or other employees.

4. TILO accumulation and usage will be reported to the payroll department by appropriate coding on the bi-weekly time cards. TILO time balances will be reported to the employees on the paycheck stubs in the same manner as vacation and sick leave hours are reported. If an employee accumulates and uses the same number of TILO time hours within a pay period, such record may not show on the paycheck stub.

5. No employee may have an accumulated balance of TILO time exceeding three hundred (300) hours at the end of any pay period. Employees may not have a deficit TILO time balance.

6. Whenever an employee separates from City employment, any unused TILO will be paid at a straight time rate including longevity.

ARTICLE 12 - RETIREMENT

(A) The City and the Association agree that all employees shall participate in the Public Employees Retirement System of the state of Nevada in accordance with the rules of that system.

(B) Any increase to the Public Employees Retirement System contribution rate above the current rate of 39.75% will be shared by the City and the employee, each paying 50% of the increase; employee paying through salary reduction and the City paying the other half

ARTICLE 13 - DISABILITY

(A) The City and the Association agree that all eligible members shall be covered by provisions of an appropriate Workers' Compensation Insurance Program, that may be self-insured or State Insured.

(B) Should an employee suffer a service-incurred accident or illness and the benefits paid to such employee under the provisions of the Workers' Compensation Program shall not equal the employee's present gross salary, then and in that event, the employer shall pay to the employee an amount equal to the difference between the compensation received under the Worker's Compensation Program and the employee's then present gross salary excluding overtime, for a period of two hundred forty (240) hours from the first day of absence due to illness or injury.

In the event there exists a reason to believe an employee is abusing his/her rights under this provision, the employer may disallow the "equal payment" benefit during the first calendar month. In addition to the foregoing, in the case of a significant injury the City may continue this maintenance of income at full or partial pay for a period of up to one (1) year after the initial two hundred forty (240) hours.

(C) Before the City grants these benefits, the employee shall comply with reasonable administrative procedures established by the City. The City may also request, at its option and expense, that the employee be examined by a physician appointed by the City. The examining physician shall provide to the City and the employee a copy of his medical findings and his opinion as to whether or not the employee is able to perform his normal work duties and/or whatever, if any, work duties the employee is able to perform or unable to perform. The City may further require that such injured employee make himself available for light duty work as soon as possible after release by a qualified physician, which may be either City or employee appointed.

(D) The City and the Association agree that in all cases where employees are injured or made ill in the course of their employment, and remain working in a limited or restricted duty capacity, they shall be allowed to receive all treatment, therapy, examinations, and evaluations during compensated work hours. Those who are temporarily incapacitated from work and are scheduled to receive medical treatment will not be compensated beyond the payment amounts specified in (B) above.

ARTICLE 14 - DISPUTE PROCEDURE

APPEAL PROCEDURES

(A) Purpose. The purpose of the following provision is to set forth, simply and clearly, the methods and procedures for the various types of disciplinary disputes that may arise between the parties hereto.

(B) Discovery. When the Association becomes involved in a potential dispute and needs information to determine whether or not a grievance should be filed, a request for discovery shall be made. The Association representative and a representative from the Department Director (or his designee) will discuss what discovery is necessary and such information will be made available. In the event overtime is necessary to fulfill the Association/employee request for discovery and the parties agree the production cannot be delayed to avoid overtime.

In the event a dispute arises as to what materials are discoverable, the Association may bring the dispute to the City Manager.

All materials provided the Association during this discovery procedure shall at all times remain confidential and not be shared with other parties unless such material is clearly a matter of public record.

(C) Definition for Discipline. An appeal shall be defined as a dispute regarding the application of a disciplinary action. For the purpose of this procedure, a written reprimand or greater is considered discipline. An oral reprimand/warning may only be appealed to Step 2 of this procedure and the decision of the reviewer shall be final at that step. An appellant may have a representative of his/her choice at any or all steps.

An appeal shall be handled in the manner set forth herein. Other disputes, which may arise between the Department and its employees, which do not meet the definition of an appeal, shall be handled in the manner designated for such disputes.

(D) Definition for Non-Discipline. A grievance shall be defined as a dispute regarding the application or interpretation of an expressed provision of this Agreement, departmental rules and regulations that violate a provision of this Agreement or are applied in an unfair or inconsistent manner or a dispute regarding a disciplinary action taken against an employee. A grievant may have two representatives of his/her choice at any or all steps.

A grievance shall be handled in the manner set forth herein. Other disputes, which may arise between the Department/City and its employees, which do not meet the definition of a grievance, shall be handled in the manner designated for such disputes.

(E) Appeal Steps for Written Reprimand.

Step 1. The grievant shall reduce the grievance to writing and submit the grievance to Human Resources within 15 working days of when the grievant received the written reprimand for submittal to the Department Director. A meeting will be held with the grievant and his/her representative, a representative from Human Resources and the Department Director or designee within 15 working days of when the grievance was submitted to Human Resources. The Department Director will respond to the grievance within 15 working days of the conclusion of the Step 2 meetings.

Step 2. If the matter cannot be resolved at Step 1, the grievant may submit the grievance to Human Resources within 15 working days of receipt of the grievance from the Department Director or within 15 working days of when the grievance was due for submittal to the City Manager or designee for resolution. The City Manager or designee shall answer the grievance in writing within fifteen (15) working days of its receipt. The grievant may meet personally with the City Manager or designee upon request. If a meeting is requested by the employee, the meeting will be scheduled within fifteen (15)

days of the receipt of the grievance. The City Manager or designee has fifteen (15) working days from the conclusion of the meeting to answer the grievance.

(F) Appeal Steps for Discipline of 80 Hours or less. Process for Appeals of Disciplinary Action resulting in a suspension of 80 hours or less. All appeals shall be filed in writing within 15 calendar days of the date the employee has received a signed copy of the adjudication and the appeal shall specify the Civil Service Rule, or the Department Rule, written order, or regulation upon which discipline is imposed. The appeal shall also specify any information relevant to the employee's reason for appealing.

Step 1 (Informal) - When an employee has a grievance as defined above, the employee, shall discuss the grievance with his/her immediate supervisor and the next higher level of supervision - the supervisor will consult with the Department Director prior to this discussion and a representative of the Department Director may be present for the discussion, if requested. The employee may have Association representation at this and subsequent meetings. If no Association representation is present, the Department Director will be notified in order to inform the Association of the issue in the grievance. The Association will have a like responsibility to the Department when they are involved in a grievance. If the employee is not satisfied with the decision or none is rendered within five (5) calendar days of their discussion, the employee/Association may move the issue to Step 2 by reducing the dispute to a written grievance.

Step 2 - Appeals shall be filed with the Department Director (or his designee) regardless of the employee's rank or chain of command. If the matter giving rise to the appeal occurred at the Department Director level, the appeal will be filed at the next level, Step 3. The reviewer shall initiate an investigation of the appeal. Within 15 calendar days of the filing of the appeal, the reviewer will hold a meeting with the appellant, and a representative in an effort to explain the results of the investigation. The reviewer shall submit to the appellant and the Association, a written response to the appeal, including a summary statement of the findings of the investigation within 22 calendar days of the filing of the appeal.

Step 3 - If the appellant is not satisfied with the response provided in Step 2, the employee or Association will request, within 30 calendar days of receipt of the Step 2 response, that the matter be resolved by a Labor/Management Board selected by the Department and Association. The Board will hold the hearing within 90 calendar days of the request for hearing, or as soon thereafter depending on schedules of the board participants and upon their mutual agreement.

The Labor/Management Board will be comprised of a three (3)-member panel. The Board shall consist of one (1) Department employee selected by the Department and one (1) employee from the bargaining unit selected by the employee or the Association. The third (3rd) member shall be an at-large member that is not a current employee, but who is familiar with the Department and contract interpretation. The third (3rd) member will be selected by the Department and the Association, and will serve as the Chairperson. No members of the Board can be a party to the dispute. The Board will have the authority to rule on procedural matters raised at the hearing with the basic understanding that the proceeding is intended to be informal and speedy, and that the procedural guidelines provided below shall be followed. The Board will be selected by the parties when a dispute is not resolved at Step 2 and the Association carries the matter to Step 3.

The third (3rd) member of the Board will be selected from a standing list of three (3) approved by the Association and the Department. The Association and Department will meet to develop this list and will periodically review and update the list as deemed necessary. The Association and Department will mutually select the third (3rd) member from this list. If mutual agreement cannot be reached, the third (3rd) member will be selected by a random drawing.

(G) Procedural Guidelines for Hearing

1. The parties may designate who will represent them at the hearing. Each Representative may have up to two other persons present to provide administrative support. Other persons may be present at the hearing upon mutual agreement of the representatives.

2. Within 15 days after appeal to the Labor Management Board is requested, the designated representatives will meet in a pre-hearing conference. The purpose of this meeting will be to do the following:

- a. Exchange witness lists. Each representative may call up to five (5) witnesses, unless there is mutual agreement between the representatives or the Board determines it is necessary to allow more to be called. All department witnesses will be required to attend, will be paid if off-duty, and will not suffer any loss of pay if on-duty. Association witnesses will not suffer any loss of pay if on-duty.
- b. Exchange exhibits. All exhibits will be exchanged by the representatives and no other exhibits will be allowed in the hearing unless it is necessary to dispute testimony or validity of exhibits.

The parties will exchange witness lists and exhibits at least seven (7) days prior to the hearing. In the event this exchange is not completed in a timely fashion and there is no agreement by the parties to accept the late submission, the Board will accept the exhibits and witnesses, make a determination if any prejudice might arise as a result of the late submission and, based on that determination, may reset the hearing.

3. Meetings and hearings will be closed and there will be no taping or minutes taken. The individual representatives and support personnel may take individual notes for their own purpose.

4. The Department has the burden of proof on disciplinary matters and will present its case first.

5. The Board may deny the appeal or grant the appeal. If the appeal is granted, the Board will determine the appropriate remedy.

6. The board will render a bench decision the same day of the hearing. The decision will be verbal, but will be placed in writing by the Department representative within 10 calendar days of the hearing. The written document will require approval from the Association's Representative. If no agreement is reached on the written decision, the Board will be reconvened in order to finalize the decision.

7) The decision of the Board shall be final and binding.

(H) Resolution. Reduction in Discipline - At any level of review, if the decision is to reduce the discipline and the grievant accepts the decision, the reviewer that reduced the discipline will have the Adjudication of Complaint rewritten. The new Adjudication of Complaint will show the new level of discipline in the appropriate place on the form. All original dates will be utilized on the rewritten adjudication.

Exoneration of Discipline - At any level of review, if the decision is to remove all discipline, but not the sustained complaint, the reviewer that removed the discipline will have the Adjudication of Complaint rewritten. The new Adjudication of Complaint will show a disposition of "Sustained," however, in the discipline box, "none" will be noted and in parentheses after the word "none," will be the name and position of whoever removed the discipline.

The exoneration of discipline and the sustained complaint can be authorized at any step of the Grievance Procedure. The Labor Management Board or arbitrator may also exonerate the discipline and the sustained complaint if the grievance has been appealed to their level. If the discipline and sustained complaint are reversed in favor of the employee,

the Personnel/Human Resources file and the employee's Departmental personnel file will be purged of all references to the investigation. Additionally, the IAB file will be supplemented to show the findings.

(I) Appeals Steps for Disciplinary Action Greater Than an 80 Hour Suspension and alleged contract violation.

Process for Non-Discipline - If a dispute cannot be resolved informally with the Department Director, the employee shall file the grievance in writing within 30 calendar days of the employee's or Association's knowledge of the occurrence giving rise to the dispute. All grievances filed in writing shall be dated as of the date that the employee had knowledge of the occurrence giving rise to the dispute and shall specify the Collective Bargaining Agreement provisions alleged to be violated. The grievance shall specify the facts known and available, which are alleged to constitute the alleged violation.

Step 1 - When an employee or the Association has a dispute as defined above, the employee or the Association shall submit the written grievance to the Director of HR to be submitted to the City Manager (or designee) for resolution. The appellant or the Association may request a meeting with City Manager or designee. If a meeting is requested, it will be scheduled promptly. The City Manager or designee shall respond to the grievance within 15 working days of receipt, or if a meeting is requested within 15 days of the conclusion of the meeting.

Step 2 - If the aggrieved employee or the association is not satisfied with the response provided in Step 1, the aggrieved employee or Association may request the matter be submitted to final arbitration. The matter shall be submitted to Arbitration by serving the Director of Human Resources with a Notice of Arbitration. This must be done within 30 calendar days of receipt of the Step 1 response, or within 30 days of the time a Step 1 response was due.

1. Appeals of disciplinary matters may be referred to the Expedited Labor Procedure established by the American Arbitration Association, if agreed to by the parties.
2. Disputes involving the application or interpretation of a specific provision of the Collective Bargaining Agreement may be referred to an expedited process upon the mutual agreement of the parties. If the parties cannot mutually agree, then the matter will be referred to the general procedures in place with either FMCS or AAA, which would include the use of a permanent panel, and procedures as established by the parties.
3. The decision of the arbitrator shall be final and binding on the parties. In no event shall the arbitrator have any authority to exceed or alter any provisions of this contract or contrary to the law.

(J) Time Limits - In computing any period of time described or allowed in this procedure, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, Sunday, or holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday, or a holiday.

Employee/Association - Failure on the part of the appellant to file or process the appeal to the next step within the time limits established in the preceding paragraphs presumes that it has been satisfactorily resolved at the last step to which it had been properly processed. However, in the event an employee is unavailable during the response period, the employee may authorize, in writing, the Association to respond on the employee's behalf.

Department - Failure on the part of the Department's representatives/City Manager's representatives to answer the appeal in the time limits established in the preceding paragraphs enables the employee or Association to move the grievance to the next step.

Time limits specified in this appeal procedure may only be extended by written agreement of both parties.

If an appeal is not filed or processed with the time limits set forth above, it will be deemed withdrawn with prejudice, unless the time limitations established are waived or mutually extended by the parties.

(K) Other Disputes. Disputes which do not fall within the definition of a grievance set forth in section 3 above, and which challenge the legality, including the constitutionality, or the propriety, or the reasonableness of a Departmental Rule, written rules, orders, regulations, policy or procedure that govern the Department. The dispute is to be filed in the first instance with the Department Director as appropriate to the chain of command. A meeting will be scheduled by the Department Director with the employee and/or the Association, for the purpose of resolving this dispute. If the dispute is not resolved in the meeting, or meetings held, the Department Director shall, within 15 calendar days of the conclusion of such meetings, furnish the employee and/or the Association with a written response to the issue raised. If the employee or the Association wishes to pursue the matter further, they may do so as allowed within the confines of NRS 288.

(L) Disciplinary Action Defined.

1. **Oral Warning** - This disciplinary step puts an employee on notice that the employee's behavior or performance is not acceptable and that further unacceptable behavior or performance may result in more severe disciplinary action. The interview should be documented in writing with the employee being given the opportunity to make comments. This documentation will be maintained by the employee's supervisor and employee only. Oral warnings will be valid for a six (6) month period.
2. **Written Reprimand** - This level of discipline is documented on an Employee Interview form and placed in the employee's personnel file. The employee will be

given a copy of the Employee Interview form at the time of the interview and may prepare a response to the allegations contained therein.

3. **Suspension** - Suspension may be used after a written reprimand has not corrected the unacceptable performance or behavior or rule violations, or the violation requires more severe disciplinary action. Documentation is done on an Employee Interview form. The City shall not suspend without pay a public employee covered by this contract without first providing that employee with notice and a hearing. Suspension without pay may only be imposed after the City has formally sustained a charge against the employee. This provision does not apply to a situation where criminal charges are pending against the employee.

4. **Other disciplinary actions** - The employee may be subject to more serious discipline, as listed below, if the unacceptable performance, behavior, or rule violation continues, or if the employee's actions require more severe discipline action.

- a) Reduction in Classification
- b) Reduction in Salary Step

5. **Termination** - Termination is used when other efforts to correct a disciplinary situation have failed or when the offense committed by the employee is of a severe enough nature so as to warrant immediate separation from employment.

(M) Purging Files and Records.

1. The record of any disciplinary action resulting in a written reprimand shall be removed from an employee's Human Resources/Departmental/IAB personnel file upon written request of the employee after a period of eighteen (18) months has elapsed. Any subsequent disciplinary action of a similar nature shall extend the period of retention of the original offense for twelve (12) months.

2. Records of disciplinary actions resulting in a suspension of eighty (80) hours or less or an equivalent loss of pay will be removed from an employee's Human Resources/Departmental/IAB personnel file upon written request of the employee after a period of thirty (30) months has elapsed. Any subsequent disciplinary action of a similar nature shall extend the period of retention of the original disciplinary action for twelve (12) months.

3. Provided that the above conditions are met, an employee may submit a written request to the Director of Human Resources to have an action removed from his/her Human Resources/Departmental/IAB personnel file.

4. These guidelines regarding the purging of records shall not apply in case of termination or resignation of the employee.

5. Retention time discussed above shall begin on the date of the notice of investigation (specificity of charges) is presented to the employee.

(N) Documentation. A copy of all appeals shall be forwarded to the Association and the City Managers Office immediately upon filing with the Department.

(O) Just Cause. The City will only discipline employees for Just Cause.

(C) The City agrees to deduct from the paycheck of each employee in the bargaining unit and the Association who has signed an authorized payroll deduction card such amount as the employee may designate as insurance coverage. All premium deductions will be submitted to the Self Insurance Plan, equivalent or fully insured plan within one (1) week of deduction.

The City shall establish the necessary accounts and accounting procedures to ensure that:

1. A record is kept, by pay period, of the number of employees eligible for insurance coverage and the amount of funds paid by the City on their behalf.
2. A record is kept, by pay period, of the employees' contributions collected and deposited on their behalf.
3. All disbursements of funds from the insurance payment accounts shall be for the appropriate payment of insurance premiums, claims, or other legitimate expenses of the group hospitalization, health, vision, dental, life insurance, and any other insurance programs provided.

(D) In the event the Association joins a Retirement Medical Trust Fund, the City will make the requested payroll deduction for authorized enrollees.

(A) The City and the Association agree that reduction in personnel as it pertains to employees covered under the provisions of this Agreement shall be as hereinafter prescribed. City. Employees separated by a reduction in force shall be given a minimum of eighteen (18) weeks' notice and a minimum of three (3) months (12 weeks) pay.

6. As a result of the application of this reduction in force procedure, the City may cause the reassignment, transfer, reduction in classification, or any combination thereof, or the separation of an employee.

7. Any employee reduced in classification or terminated under this Article shall have his name placed on the City's reduction-in-force list for a period of thirty-six (36) months. Employees accepting reassignment or a reduction in classification shall remain on the reduction-in-force list for their previous classification and shall be reinstated in accordance with their seniority. 8. If, in the reduction in force process, there is a probability that an employee being separated may be reinstated within a ninety (90) day period, the employee may be given leave without pay for a period of ninety (90) days. At the time of leave without pay, the employee may elect to exhaust accumulated annual leave, be paid in a lump sum payment, or have it retained for credit for the ninety (90) day period. The employee may also elect not to be paid off for any sick leave during the ninety (90) day leave without pay. If the employee is not rehired at the end of the ninety (90) day period then all annual and sick leave must be paid off.

9. The City will maintain all existing management rights, including but not limited to the unilateral right to reduce in force or lay off any employee and/or the right to

determine staffing levels, content of the work day, quality and quantity of services offered to the public and means and methods of offering those services to the public.

10. The City of Las Vegas will agree that should any existing employees covered by the CBA be separated from employment during a fiscal year ending June 30, 2014 or June 30, 2015 as part of a reduction in force or lay off, that they will receive eighteen (18) weeks' written notice, within which they may opt to take severance pay in the amount up to a maximum of three months of salary and separate prior to the eighteen (18) weeks' notice period's conclusion. Employees separated from the City for other reasons including but not limited to discipline would not be eligible of the notice and severance pay discussed herein. It is expressly understood by both parties that the granting of notice and severance pay discussed herein shall not survive beyond the fiscal year ending June 30, 2015, and neither party shall attempt to argue it as evidence of a binding precedent or past practice.

(a) In the event, Deputy City Marshals are reduced pursuant to this paragraph, prior to hiring new personnel for the City Municipal Court Marshals unit, separated Deputy City Marshals must be given the first opportunity to take that position at their former pay and City seniority.

Solicitations will be conducted for a two-week period of time per each request and all donations will be submitted to the Association on a form provided by the Association.

Sick leave donations will only be allowed from the employees' payable hours (those hours that the employee would receive cash payment for upon separation from City employment.). The dollars will then be converted to sick leave at the hourly rate of the recipient. If any donated sick leave hours remain at the end of the Catastrophic Leave, they will remain in a sick leave bank for future use.

8. Bank hours, if any, may be approved by the committee on a matching basis, if needed, (i.e., a solicitation for an approved employee nets 100 hours after the 100 hours are used, the committee may approve up to another 100 hours from the bank, if hours are available).
