Potential On-Duty Exposure

If you believe you were exposed to COVID-19 in the performance of your job duties contact your Supervisor immediately.

Complete an Occupational Injury/Illness/Injury Report (LVMPD 26)

Key information to include in the Exposure Report:
- Date, time and location of the exposure
- Subjects name and health status
- Detail the level of contact with the subject and any PPE used

Contact Health and Safety to advise them of the exposure
(702)828-3696
(702)828-3330
HealthandSafety@LVMPD.COM

Send the Exposure Report to HealthandSafety@LVMPD.com or fax to (702)828-1509

You will be assigned a Health and Safety representative to assist you through screening and medical evaluation.
Symptoms consistent with the Flu or COVID-19

You develop symptoms consistent with the Flu or COVID-19

Seek advice and medical care from a Licensed Medical Professional from your Health Plan

Follow the direction of the Medical Professional and notify your Supervisor if there is a need to take leave

Contact Health and Safety
702-828-3696
702-828-3330
HealthAndSafety@LVMPD.COM
of the requirement to use leave
**Supervisor can also call on behalf of an employee

Health and Safety will assign you a dedicated Representative to maintain communication throughout the leave period

Provide any medical documents to the Health and Safety representative to coordinate FMLA or other available programs

Remain in contact with Health and Safety and complete your designated medical recovery plan

Coordinate the return to work with Health and Safety when you are cleared by a Medical Professional
